I want you and joe to meet with that family and provide updates. I'm not fix this.

No it's Joe. Very unorganized and defensive. She is the only patrol captain that's innovative and proactive and doesn't sell bulls t.

I will but crystal seems very overwhelmed 2 me

I want to know y this wasn't taken seriously? The racial component? Is joe committed to NW? Too much slipping by him.

Crystal appears the only patrol captain on top of her s t. Spriggs is lazy and a dumper, and joe seems overwhelmed.

Please fix it or I will
