24 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

25

26 SECTION 1. Arkansas Code Title 6, Chapter 16, Subchapter 1, is amended

27 to add an additional section to read as follows:

28 6-16-152. 1619 Project curriculum – Funding prohibited.

29 (a) This section shall be known and may be cited as the "Saving
30 American History Act of 2021".

31 (b) The General Assembly finds that:

32 (1) The true date of founding of the United States of America is
33 July 4, 1776, the day the Declaration of Independence was adopted by the
34 Second Continental Congress;

35 (2) The self-evident truths set forth in the Declaration of
36 Independence are the fundamental principles upon which the United States of

1 America was founded;

2 (3) An activist movement is now gaining momentum to deny or
3 obfuscate this history by claiming that the United States of America was not
4 founded on the ideals of the Declaration of Independence, but rather on
5 slavery and oppression;

6 (4) This distortion of the history of the United States of
7 America is being taught to students in public school classrooms via the New
8 York Times' "1619 Project", which claims that "nearly everything that has
9 truly made America exceptional" grew "out of slavery";

10 (5) The 1619 Project is a racially divisive and revisionist
11 account of history that threatens the integrity of the Union by denying the
12 true principles on which it was founded; and

13 (6) The State of Arkansas has a strong interest in promoting an
14 accurate account of the history of the United States of America in public
15 schools and forming young people into knowledgeable and patriotic citizens.

16 (c) As used in this section, "public school" means:

17 (1) A public school;

18 (2) A public school district; and

19 (3) An open-enrollment public charter school.

20 (d) State funding received by a public school shall not be used by a
21 public school to:

22 (1) Teach the 1619 Project curriculum in a public school; or

23 (2) Facilitate the teaching of the 1619 Project curriculum in a
24 public school.

25 (e) A public school that teaches the 1619 Project curriculum shall:

26 (1)(A) Have its state funding reduced in an amount equal to the
27 cost associated with teaching the 1619 Project curriculum, which shall
28 include without limitation planning and teaching time.

29 (B) However, state funding for the following shall not be
30 reduced based on a public school teaching the 1619 Project curriculum:

31 (i) Programs for low-income public school students;
32 and

33 (ii) Programs for students with disabilities; and

34 (2) Not receive Enhanced Student Achievement Funding under § 6-
35 20-2305(b)(4) for purposes of professional development.

36 (f)(1) The Division of Elementary and Secondary Education and Division

1 of Higher Education shall promulgate rules necessary to implement this
2 section.

3 (2) When adopting the initial rules to implement this section,
4 the final rules shall be filed with the Secretary of State for adoption under
5 § 25-15-204(f):

6 (A) On or before January 1, 2022; or

7 (B) If approval under § 10-3-309 has not occurred by
8 January 1, 2022, as soon as practicable after approval under § 10-3-309.

9 (3) The Division of Elementary and Secondary Education and
10 Division of Higher Education shall file the proposed rules with the
11 Legislative Council under § 10-3-309(c) sufficiently in advance of January 1,
12 2022, so that the Legislative Council may consider the rule for approval
13 before January 1, 2022.
